

**Report of Yashoconnect series 2****(Alumni Association Activity)****Seminar on Topic “Clinical Data Management”****Held on Saturday, 28<sup>th</sup> September 2024.**

The "YASHOCONNECT-alum's on & on & on..." series organized by Alumni Association of YSPM YTC Satara, is incredibly beneficial for students. It gives them the opportunity to gain insights and knowledge from successful alumni who have walked the same path they're on.

The activity was arranged by **Alumni Association** with intention that by hearing stories and experiences of successful alumni, students can get inspired, learn valuable lessons, and broaden their horizons. It's a fantastic way to connect students with real-world professionals and provide them with guidance and motivation for their own journeys.

**Alumni Association** of YSPM's YTC, faculty of Pharmacy, arranged seminar on topic “**Clinical Data Management**”. The Lecture was delivered by **Ms. Vaishnavi Veerkar, Senior clinical data coordinator, IQVIA.**

The seminar commenced with **Ms. Pooja Kadam, assistant professor & alumni incharge**, setting the stage by highlighting the significance of the Yashoconnect Series. After that academic incharge & HOD of B-Pharmacy **Dr. A. M. Bhagwat** sir delivered an inspiring introduction about pride alumni **Ms. Vaishnavi Veerkar** & felicitated her. **Dr. A. M. Bhagwat** sir also encouraged the students to embrace the wisdom that **Ms. Vaishnavi Veerkar** would share during her talk. He further expressed the importance of learning from alumni experiences, as they can provide valuable insights and guidance for current students in navigating their careers.

**Ms. Vaishnavi Veerkar** is alumni of Yashoda Technical Campus from the batch of 2019 B.Pharm, engaged the audience with her enthusiastic presentation. She delved into various aspects of clinical trials, shedding light on the different phases, tools of Clinical Data Management (CDM), the CDM process, and the roles and responsibilities associated with clinical data management. Moreover, she discussed the abundant job opportunities available in the market in this field.

She not only covered technical aspects but also emphasized the significance of soft skills development. She highlighted the importance of English fluency and the need for enhancing presentation skills. By addressing these essential skills, Ms. Veerkar provided students with a well-rounded understanding of the requirements for success in the field of clinical data management. Her insights into these areas undoubtedly added depth to the seminar, equipping attendees with a comprehensive skill set necessary for professional growth and advancement.

The interactive session concluded with a question and answer segment where students had the

opportunity to clarify their doubts. Ms. Veerkar also emphasized the importance of keeping all educational documents ready, providing a holistic approach to the seminar.

Overall, **the Yashoconnect Series 2**, led by **Ms. Vaishnavi Veerkar**, proved to be a valuable platform for students to gain insights into the field of clinical data management and its prospects in the market.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy the activity was coordinated by **Ms. Pooja B. Kadam & Ms. Sucheta S. Pawar**.
