Data requirement for year: Upload a description of library with,

- Name of ILMS software
- Nature of automation (fully or partially)
- Version
- Year of Automation

File Description:

- Upload any additional information

Paste link for Additional Information

Yashoda Technical Campus having centralized well equipped library for integrated campus. Library is open to the students from 8am to 6 pm. Students have open access to the library. Book bank facility is also available in the campus. Newspaper clipping is properly maintained in the library to provide the clips to both students and faculties. The total number of books available in the library 26427 and 72 of print journals are available in the library. Delnet is regularly subscribed for e-journals and e-books. Institute library also provide the facility of digital library to the students and faculties. Plagiarism facility also provided to students and staff. Institute is using library automation since 2011. The library is using ILMS software titled *Auto library Management* .Library is using automation version of *AutolibNG*. Library mostly uses all the features available in automation software as email templates, SMS functionality, Import Export to convert data, WEB OPAC, Backup and restore facility for security. Spine label, barcode and book card generation and printing are widely used in the library. Students ID card generation with photo, barcode and printing also regularly operated through this automation. Every year stock verification is conducted in the month of May. Following is the link to user <http://115.242.216.170:86/autolibwebOPAC/login.aspx>
