**“Vehicle Restriction Day”**

**Date: 2 Dec 2022**

Yashoda Technical Campus, Satara on the occasion of “Pollution Control Day” observed the “Vehicle Restriction Day” on 2 Dec 2022 at campus institutions at various departments. Program was coordinated by faculty coordinators, YTC, Engineering and Polytechnic in presence of Chief Guest Hon. Director Redasani V.K., Associate Director Hon. Mohite R.D. and all other campus Principals and All campuses respected Head of Departments, Faculty members, staff members and Students were present.

Objectives of the Practice- To reduce pollution, To increase environmental awareness, To aware about advantages of less Vehicle use, To aware about use of mass transportation systems. The practice and its uniqueness in the context of Indian higher education- Student’s increased Vehicle dependency and road safety issues and the health issues arised because of the pollution, to build environmental awareness among students. This practice includes the activity that promotes the restriction of use of vehicles creating pollution by the students, faculties and other stakeholders of the institutions into the campus vicinity, on prescribed and intimated day as and when circular of the same is been displayed.

The constraints/limitations faced in implementation was, that how to store the how to track the decreased vehicle usage by students/staff. The Success of the activity is that some behavioral changes in terms of usage of eco-friendly vehicle instead of pollution creating vehicle is been seen into the students, faculties and other stakeholders of the institutions.
